The Clifton Chronicles

The **Clifton Chronicles** is published 11 times a year and distributed to each of the 1450 houses in Clifton. We are the longest continuously running village magazine in Bedfordshire (possibly in the country). The *Chronicles* is produced and distributed entirely by a friendly team of over 40 volunteers. If you want to help with this amazing local enterprise please get in touch or if you have any suggestions we would also like to hear from you.

Our revenue comes primarily from: local businesses who advertise, donations from local clubs and societies who regularly contribute and grants from Parish Council and All Saints Church.

All contributions and information from clubs, societies and general community interest items are welcome, the editor reserves the right to make decisions on content. Please e-mail contributions to: chronicles@clifton-beds.co.uk

Dear Friends,

Generosity is the Christian Value that has been taught to our children at Clifton Academy this autumn term. After this October half term they will learn about the value of Compassion.

These are two values which this village understands and shows through its daily living especially when things go wrong for someone else.

Your church has benefitted from your generosity through fundraising events and donations. We will be able to repair the 19th century stained glass window which was broken in order to rob the church of useful technology, which was donated by generous parishioners. Your compassion has helped us move on and continue to be a place showing love to others.

Maybe the robbers saw the image of the baby in a manger before they broke the window. I hope they know that God's love extends to them. God doesn't let them off the hook! However, our God is Generous and Compassionate and offers them the chance of forgiveness.

If you would like to continue to help support your church so we can continue to have a visible presence in this village Please go to our [My donate page](#) at:

<https://mydonate.bt.com/charities/allsaintschurchcliftonbeds> or find the link on the village web site. www.clifton-beds.co.uk.

Every Blessing, Revd Caren

This list is now on the Care Scheme page of the Cliftonbeds.co.uk website; anyone needing to have a full copy of any of these policies may make a request by calling the telephone number below.

Samuel Whitbread Academy Press Releases

GCSE results 2018

For the second year in succession, students at Samuel Whitbread have achieved GCSE results well above the national average. An impressive 70% of students gained a grade 4 or above in English and maths, including 42 of the coveted grade 9s.

Individual highlights included Alex Miah, who achieved four grade 9s and said: "I am really happy with my results and I'd like to thank all my teachers, especially science and maths, who really helped me through all the pressure of my exams." Melissa Rumbold, who achieved three grade 9s, including two in English, said: "thank you to all my teachers who supported me to achieve these results, especially my English teachers, I can't quite believe it!"

Principal Nick Martin said: "the students have worked incredibly hard for these exam results and I am absolutely delighted that their hard work has paid off. Following on from the new more challenging GCSEs that were introduced last year in maths and English, this year group took a whole host of the new 9-1 GCSEs in subjects such as science, geography and history, and I'm pleased to say that they have risen to the challenge and done incredibly well."

The CEO of Bedfordshire Schools Trust, Dr Alan Lee, said: "These are another excellent set of exam results, earned by our wonderful, hard-working students, dedicated staff and supportive parents."

Congratulations on a great team effort!"

A Level results 2018

Students, parents and staff at Samuel Whitbread Academy are celebrating another set of fantastic A Level results with even further improvements on last year's best ever results. Just over a quarter (26%) of the grades achieved were A* or A and 76% of grades were A*-C or equivalent. There were a number of incredible individual success stories, including Aislinn Hopkins who gained four A* grades and is off to read law at UEA. Aislinn said: "I'm so pleased with my results and really looking forward to my course at uni. It's been a lot of hard work

over the last two years and I'd like to thank all my teachers for the huge amount of support they have given."

Head Boy Kieran Darkes and Head Girl Emily Onagoruwa both achieved A*AB grades. Kieran, who is off to Warwick to study economics, said: "we would like to thank all our teachers for their help and support over the last few years, we are so proud of the students at Sam Whit and wish them all the luck in the world in the next stage of our lives".

Principal Nick Martin said: "there's no doubt that the new reformed A Levels and BTECs are more challenging and more rigorous, but the students have risen to the challenge and produced another set of amazing results. They have been a fantastic year group and great role models for the younger students, both in terms of their work ethic and their boundless enthusiasm. The way they have led all the House activities and mentored younger students, displays everything we value at Samuel Whitbread. I wish them well on the next stage of their journey and look forward to hearing about all their future endeavours."

Poppy Collections

It will soon be Poppy Day, this year remembering 100 years since the end of the World War 1. If Clifton would like to keep a door to door collection I need some more volunteers.

If you can offer a couple of hours to help with the collection, please can you give me a ring. You will only need to do one road so it's not too exhausting!

If I don't have any more volunteers we will not be able to cover everywhere in Clifton. If you need someone to bring the poppies to you, please let me know and I will make sure someone comes to your house.

Thank you, Denise Panton, 01462 632754

Clifton Residents Association

Hi Everyone,

Welcome to October. Already??

We are now back to committee meetings, and at our last one on the 4th September we started to plan this year's 'Light up Clifton' for December 1st. Our aim is to be slightly bigger, bolder and more professional. What's that old saying "don't try running before you can walk"! We had a great response last year, so let's hope the weather is kind to us again this year.

Our AGM is 6th November, venue to be announced. This is when we elect our officers for the coming year. Most positions are straight forward, but we would like to fill the appointment of secretary. Have you had any experience of this post? If so please let us know. Most of our committee business is straight forward therefore it's not a complicated position to hold.

A date for your diary for October 5th. If you happen to read your magazine before then. Healthwatch Central Bedfordshire is hosting the Festival for Older People 2018 at the Rufus centre, Flitwick. There will be many organisations giving people advice on all matters relating to the well being of pensioners. This is held every year and runs from 10am to 2pm approx. As usual a free lunch is provided for all attendees.

Well, to finish on topical subject. The drugs situation in Clifton is becoming out of control and Bedfordshire police urge anyone that witnesses drug dealing to dial 999 if urgent or 101 with information. Remember, it's your village and you neighbourhood,

Stay lucky, Den Fensome

Clifton Neighbourhood Watch

Our Chf Constable Jon Boutcher, recently admitted in an interview with Sky News how Community Policing has changed during the past decade. It is no secret that Bedfordshire is under resourced due to being funded as a rural force but has to deal with issues more usually experienced in large metropolitan areas.

This change has required a shift to safeguarding and protecting vulnerable people to dealing with advances in offending online and emerging issues such as hate crime and child sexual exploitation. All of this means we have limited resources to police all of our neighbourhoods in the manner which is sometimes expected by communities. Crime is no longer just on our streets, foot patrols are not effective in dealing with issues such as cyber fraud which accounts for a huge amount of reported crime across the country.

Due to these funding and resourcing challenges, a decision was taken several years ago to reduce the number of community officers to focus on those other crimes. However, Jon Boutcher decided to re-invest in community policing and implement a new hub model across Bedfordshire. Our Police colleagues are committed to a community policing model which has dedicated teams of officers to work in designated neighbourhoods, to listen to particular needs and problems within an area, and set priorities that matter to local residents.

However our Police force cannot effectively police all of our towns and villages without the co-operation and assistance of our communities. Community officers are supported by specialist departments such as the dog unit, major crime and armed policing alongside our response function which reacts to 999 calls dependent on the threat, harm and risk people are facing in that moment.

Therefore we need people/residents to be our eyes and ears – reporting suspicious behaviour in our neighbourhood and providing the intelligence and information to help us solve crime and arrest offenders. We actively encourage people to do what they can to prevent crime happening in the first place. This is where our Clifton Neighbourhood Watch group can help minimise the risk of crime in our area. Maybe you would like to help protect our village?
