# Nothing's impossible with God

Dear Friends,

This month brings in the start of Lent. Some people use the 40 days before Easter to give up something that isn't helpful, or that involves an amount of sacrifice – chocolate, biscuits, sugar etc. I am not disciplined enough for that, but I do like to commit to deepen my spirituality. For me, this starts with the Ash Wednesday Services at Clifton, 10am and 8pm, on 18<sup>th</sup> February. Both these services will be in the beautiful style of Taize. If this isn't familiar to you, please do come along to see what it is like.

As I buzz around sorting cupboards, turning out drawers and visiting the tip with my usual gusto for spring cleaning, I also recognise that my many errors and failings also need sorting. I need to get rid of unwanted behaviour and attitudes. During Lent I ask God to bring to mind what I need to turf out in order to give space for the development of Christ like characteristics, then I can emerge from Lent at Easter refreshed and energised, filled with a fresh passion for Jesus.

"As Lent is the time for greater love, listen to Jesus' thirst...'Repent and believe' Jesus tells us. What are we to repent? Our indifference, our hardness of heart. What are we to believe? Jesus thirsts even now, in your heart and in the poor -- He knows your weakness. He wants only your love, wants only the chance to love you." *Mother Teresa of Calcutta.*

Whatever Lent means for you, I hope that it will be a time of sorting and reflection.

Every Blessing, *Rev'd Anne*

## WARNING. SMOKE ALARMS FAILING

A few years ago we installed smoke alarms provided by the Luton & Bedfordshire Fire Service. These were fitted with non-replaceable batteries which were supposed to have a 10-year life. Our experience shows that a number of these have failed prematurely, so we are appealing to everyone with a smoke alarm to test theirs and if faulty report it either to the Fire Service or to the Care Scheme who will notify the Fire Service on your behalf.

# Happy New Year from everyone at Henlow C.E Academy

## HENLOW PUPILS RISE & SHINE WITH NEW BREAKFAST CLUB

Henlow Church of England Academy pupils will have the opportunity to start their school day earlier in 2015, with a brand new Breakfast Club.

Initially free, until full uptake is ascertained, the club will be supervised by teaching assistant Mr McGee, who is looking forward to breakfasting with pupils, reading, listening to music, chatting and enjoying a bright start to the day. "Breakfast is such an important part of the day and sometimes parents need the opportunity and flexibility to drop off their children at school a little bit earlier. I work with lots of different children at Henlow, and they are all looking forward to coming into school that little bit earlier to prepare themselves for the school day."

Headteacher, Caren Earp is delighted that there is so much interest in a Breakfast Club. "With most of our pupils making use of public transport to come into school, we have not had much demand for a Breakfast Club thus far. However, in response to several parental requests for their children to come into school a little bit earlier, we felt that a Breakfast Club was the best and safest approach for our pupils."

## Letter from the Chair of Governors

Henlow C of E Academy  
permanent Headteacher

On behalf of the Governing Body, I am delighted to announce the permanent appointment of Mrs Caren Earp as Headteacher of Henlow Church of England Academy. This appointment follows a lengthy, rigorous and competitive selection process along with a period of Interim Headship for this high profile position.

Mrs Earp, who has been our Interim Head since September 2014, joins us from Samuel Whitbread Academy where she was Vice-Principal. Mrs Earp will take up this permanent position from January 2015.

This is a milestone appointment for the academy and one which the Governing Body believes will be of enormous significance in realising the highest aspirations of the school and students. Many of you will have already met Mrs Earp at numerous events and so I am sure you will join us in welcoming her fully into the Henlow C of E Academy community.

Yours sincerely

Perry Huntley | Chair of Governors

A sincere thank you to Clifton residents who gave tremendous support to the two Lions sleigh runs. Once again the total raised was the highest of any of the various villages visited.

# Clifton All Saints' Academy

A very busy term came to close with two wonderful performances of The Angel Express by Robins and 3 fabulous performances of Countdown to Christmas by Years 1-4. The children worked very hard to learn all of their lines and the words for the songs and gave their all in both versions of the Christmas story, and made the staff and helpers feel very proud. All performances were very well attended and donations raised £170 for the Philip Veale Trust and the school. Additional sales of festive items at the performances raised further funds for the Philip Veale Trust. Christmas parties and a visit from Father Christmas rounded off the celebrations in school.

The New Year started with a visit from the Don Rae Academy, taking the different classes around the African continent through dance. Over one day, Don taught each class a specific dance routine to a variety of familiar tunes, and then brought it all together in a whole school performance for staff, parents and visitors. It was amazing to see what can be achieved in 45 minutes and how focussed the children were.

At the end of January, Woodpeckers class will be travelling to London and the O2 arena to perform as part of Young Voices, a 7000 strong childrens choir, accompanied by 4 members of staff and 2 Governors. They have been practising the 10 songs and their accompanying dance moves during the Autumn term and are very excited about the chance to visit and perform at such a wonderful venue. It will be a long and tiring day but an experience they will remember for a very long time!

The Performing Arts Club which meets after school on a Wednesday will be preparing to perform at the end of term, showing off their newly developed skills through acting, dance and singing. They will be presenting "Joe and his Wicked Waistcoat" on the evenings of 24<sup>th</sup> and 25<sup>th</sup> March. Further details will be available nearer the time.

Clifton All Saints Academy are always looking for ways to extend and develop the children's knowledge and understanding. If you have a skill, talent or interesting knowledge you would like to share, then please contact the school and help the children benefit from a community which shares and supports.

The school breaks for half term on Friday 13<sup>th</sup> February and return on Monday 23<sup>rd</sup> February.

## Clifton W.I.

The December meeting was our annual Christmas Party attended by all members and invited guests.

A good evening enjoyed by all with food prepared by the committee and the entertainer was Billy

Keys. The meeting in January was attended by 41 members who were welcomed by Sally. Jerusalem was sung the minutes of the November and December meetings were read by Secretary, Iris Smyrk, then agreed and signed.

Katherine Edwards had written an email to Marilyn Hamilton of Queensland Country Women's Association in Clifton, Queensland, Australia, thanking her for the tea cloth and photographs she brought to Clifton. Katherine then read out a reply advising us of the activities in Queensland. She said she would like to keep in touch to hear all the news of our Institute so this we will do, 'twinning' with their Association. We are sending photographs of our birthday party and also a WI Recipe Book.

BCFWI have arranged the following outings: On February 19 and 23 and March 24, there will be trips by coach to the Poppy Factory in Richmond; on March 23 there is an International Afternoon Event at 2pm in Flitwick Cricket Club; on March 27 also at Flitwick Cricket Club there is a Shoe Sale and Lunch and the Spring Federation Meeting is on April 27 in Kings Hall, Bedford.

The Treasurer, Chris Byers, gave her monthly report and collected subscriptions for 2015. Sally read out the Resolutions for this year and after discussion these were voted upon.

Our speaker for the evening was Molly Berry 'Let your eyes help your ears' which was about the art of lip-reading, we had an exercise to do which showed that varying letters can look the same on the lips when spoken. She was a very good speaker and highly entertaining. Birthday cards were handed to ladies with birthdays in January and the raffle was drawn, followed by refreshments.

The next meeting on Wednesday February 4 when Lynda Maude will speak about 'Behind the Scenes at MK Theatre'. The tea ladies will be Jo Pond, Jennifer Ward Fletcher and Helen Chessum. Visitors are welcome.

## Clifton Street Watch

As we welcome in a New Year we are reminded to remain vigilant against those factions looking to exploit any lapse in our individual security. Christmas proved to be a relatively quiet time in our village but two separate burglaries occurred with similar “*modus operandi*”.

The first of these burglaries took place in Stocksbridge Road, 18<sup>th</sup> December, the offenders smashed a UPVC window at the rear of the property to gain entry and reached in to take money. You are reminded not to leave valuables on display and similarly ensure you remove all keys from the locks and keep them in a safe place out of view. Keep windows & hallways clear of valuables like keys, handbags and laptop where they may be seen.

The 2<sup>nd</sup> of our Christmas attacks took place on the Clifton Park, New Road just two days before Christmas Day. Again the offenders force open a UPVC window to gain entry and a “messy” search took place with various items taken, including valuable and sentimental jewelry.

On an entirely new subject, we come back to Parking, a regular complaint in Clifton. It seems some inconsiderate parking has been effecting other motorists and pedestrians around the junction of Newis Crescent/Broad Street. Some vehicles are actually being left on the mini RAB, this has caused the Bedford to Hitchin bus service drivers, problems negotiating this area. An accident seems to be just waiting to happen, you can make a difference by parking responsibly!

You will all be pleased to know a further 255 Police Officers will soon be equipped with the latest technology to help be even more effective in the communities they serve. Local & community Policing Teams will be issued with tablets, enabling writing of victim & witness statements on the job, rather than needing to return to base. They will also be able to complete PNC checks, email, telephone & video calls or join meetings from any location.

New technology such as these tablets and body worn video are helping Bedfordshire Police to make the best use of its officers time, maximising the resource used to protect people and fight crime. This equipment means our hard-working officers will also be more visible and more accessible on our streets. This is good for the public, good for the police and bad news for criminals.”

### Clifton Forum (Discussion Group)

Our meeting on 1st December discussed "Green" and the only conclusion we came to was that it is a major challenge and the best we, as individuals, can do is to take responsibility for our own actions and try to influence others. Our next meeting will be on 2nd February 2015 when we shall be discussing "Numbers".

# Clifton Residents Association

Hi Everyone

Firstly, as I write this on January 8th, I would like to wish all our Clifton residents a happy prosperous, and safe New Year on behalf of the Residents Association. I may have said last issue that it was 'quiet at the moment'. Not any more !!

At our last committee meeting there was great debate about 1) the proposed New Road development. 2) the proposed travellers site down by the river, and 3) our Village Christmas lights. Numbers 1 & 2 are causing a lot of controversy and heart ache, especially when no one seems to want them. These items appear to roll on and on!

The Parish Council created an illuminated Christmas tree, which we thank them for. A lot of local villages had nothing at all!

The street lamp saga has returned with at least four lamps out in the pond area. If you have faulty street lamps down your road, they can be reported on the Central Bedfordshire Council website. Believe me, it does work. There has been some break ins this winter, so could everybody please check their outside sheds and make sure that they are securely locked.

On to better things. We have gained a new committee member, and a possibility of another. Any new blood is very welcome. We have an open meeting on the agenda for May, and we have a guest speaker from Healthwatch Central Beds who will tell us of the work being done to improve health, social care and wellbeing in our community. More updated information can be seen on their new website:

[www.healthwatch-centralbedfordshire.org.uk](http://www.healthwatch-centralbedfordshire.org.uk),  
or telephone 0300 303 8554 to speak to a staff member.

As an Association we feel that there should be more Youth Involvement in Clifton. With this in mind, we have contacted a Youth Involvement Officer to brief us on work that is being done successfully in other villages in Central Beds. We have a lovely village now it's time to let everyone know what is available to all. More to follow.....Let's enjoy 2015!

Stay lucky, Den Fensome

# 4 Legs and a Tale

Hello my name is Ozzy and I am a 2 year old Golden Labrador who met my partner Tony through Canine Partners, a registered charity started in 1990 to train dogs like me to help injured servicemen and women, veterans and civilians. Did you know that in our country over 1.2 million people use a wheelchair and a significant number of them would benefit from a canine partner? Currently there is an ever increasing demand, at any one time there are 120 puppies in training and Canine Partners has placed 70 dogs so far in 2014.

We dogs are carefully assessed to make sure we are suitable for our work and that we match the needs of our partner and lifestyle whatever they may be. We give more independence and greater confidence because before we arrive on the case many disabled people are reluctant to go out on their own.

Not only are we carefully checked, but so are our prospective human partners, they visit Canine Partners for the day. As well as chatting about why they need a dog, a dog is brought out to see how they react to each other and some basic tasks are gone through, such as feeding and grooming. Then comes a 2 week residential course, which is where I met Tony. This covers lots of different tasks we do together, including for example negotiating doors, wheelchair positions, picking up dropped items, feeding me and me getting my bowl from a stand. Also Tony got to choose a task for me to learn, which was taking off his shoes which I learnt very quickly. I got my bronze certificate but it doesn't stop there, I'm now working towards my silver award by learning new things – I'm now training to give Tony his phone and bring him his shoes. Our trainer now comes once a month, but if there is a problem will come more often, so we have that back-up and support. Tony and I are best friends - I listen and watch him and follow wherever he goes.

To fully train a dog and its partner costs £20,000, but Canine Partners receives no government funding and relies solely on public donations and gifts in wills. For more information visit [www.caninepartners.org.uk](http://www.caninepartners.org.uk) or call 0845 580 480.

# Children's Society 2014 Donations

(also published on Clifton WebSite):

Box Collections (20 boxes)	£610.09
Christingle	£200.00
TOTAL for 2014	£810.09

On average, more than £800 every year is sent from the residents of Clifton to support the work of The Children's Society. Most of this money is from around 50 collecting boxes in homes in and around Clifton where small change is collected on a regular basis (it saves making holes in your pockets!). If you would like to be part of this very worthwhile work and have one of these boxes in your home please contact us below. We will deliver and collect.

## To the residents of Clifton Village

On Thursday the 8<sup>th</sup> of January 2015 our son went missing so we had to call in the police and a search of the area by them ensued.

We were told that when the people of Clifton noticed that a search for a toddler was going on that they stopped what they were doing and tried to help by searching as well.

As it turns out he was found sleeping under what appeared to be an undisturbed pile of folded washing. He had never done this before so we were baffled. We have thanked Beds police separately for their assistance on the day and would also like to thank the neighbours, passers-by, residents and especially the staff at Woodlands nursery for their help and assistance. We were very frightened there for a while and it did genuinely seem to us and the police like he had escaped the home and got lost. Needless to say extra eyes are put on him now since we know he likes to sleep under washing.

Thank You, The Sandilands Family, Church Street
