

## Risk Assessment Checklist

The purpose of the risk assessment is to identify any hazards during the Church Farm Run and then assess the level of risk (i.e. the likelihood and degree of harm that may occur) and recommend remedial action in order to reduce or eliminate that risk.

Address ...Clifton Bury Farm and the set aside.....

Date...29<sup>th</sup> September 2019.....Time .....9.30 am – 12.00noon.....

Name of assessors.....Philippa Whittington.....

Location of assessment...Clifton Bury Farm and set aside

Hazards / Risks	Existing Controls	Likelihood	Severity	Risk rating	Additional Controls
Food poisoning during food preparation and service	Adhering to approved hygienic practice	unlikely	n/k	low	Hand washing facilities and rubber gloves will be made available to those preparing food
Slips and trips during the run/walk	Keeping to the agreed footpaths	unlikely	n/k	low	Marshalls have contact with first aiders. Dogs kept on a short lead. Children well supervised.
Dehydration	Water provided at start, end and half way point	Unlikely	n/k	low	
Inappropriate behaviour towards children and vulnerable adults	All children under 14 accompanied by responsible adults, required by entry conditions	Unlikely	n/k	Low	Organisers have received safeguarding awareness training.
