

Dear ex-staff member, pupil, parent or friend of All Saints

We are celebrating 200 years of learning in Clifton throughout this academic year.

We have held a series of events to commemorate the occasion.

At the end of the year we are planning performances by the children followed by tea parties. These events will be free, but donations are never turned down!

Please let us have your contact details if you would like an invitation. We need to conform numbers with caterers on 16th June, so if you wish to be included please return the slip below by 14th June. Thanks

I will be attending:

**Tea party for staff and people who attended
All Saints' and left after 1990**
2pm Thursday 10th July 2008

**Tea party for staff and people who attended
