

Central Bedfordshire Neighbourhood Watch

Clifton

We would like to reintroduce NHW into Clifton as part of a Clifton Watch scheme to include both Street & Speed watch groups.

Would you be prepared to join the Clifton NHW scheme? We would like to have all our streets and areas covered to ensure all the residents get that extra protection from a community "Watch" scheme.

Benefits of belonging to the scheme include :-

- Help to reduce crime & the opportunities for crime.
- Reassuring those who live in fear of crime.
- Encouraging community spirit.
- Increasing awareness and vigilance of residents.
- Closer liaison between residents and the police.
- Access to discounts with regard to household contents with most insurance companies.

Residents who decide to join our NHW scheme will have access to:-

- A police comprehensive crime prevention pack, including leaflets on home, car & personal security.
- Regular NHW information bulletins (via the Co-ordinator), sometimes outlining crime in your area (burglaries, bogus callers etc.) and crime prevention advice.
- A yellow NHW sticker for your front door or window of your home.
- Discounted crime protection products such as "Smart Water".

If you would like to be part of our scheme please contact me on garykath13@yahoo.co.uk or phone me on 01462 816 334. Alternatively contact PCSO 4827 Juliet Wright on 01234 842 613 Juliet.Wright@bedfordshire.pnn.police.uk

Come and join us, we need you all.

Gary Edwards
